

Rules and Guidelines for Florence Blvd. Youth Group

1. **I will not separate from the group at any time**, for any reason. This includes leaving the activities at the building, leaving a restaurant, store, or wherever we are staying.
2. **I will observe the schedule provided for all activities.** This means that I will attend classes, assemblies and will observe the necessary arrival and departure times. I understand that it is my responsibility to know what to do, and at what time to do it.
3. **I will treat the chaperones with respect**, realizing that they are volunteering to help our group, and I will make their job a joy. I will not hassle the chaperones!
4. **I will act appropriately with members of the opposite sex.** This means that I will limit physical contact to hand holding. This also means that **I will not be alone with a member of the opposite sex. I will not go into the room of a member of the opposite sex.** I understand the serious nature of this rule, and that a violation may mean immediate dismissal from that event. (Parents are responsible to pick up youth who are dismissed from events.)
5. **I will conduct myself in a Christ-like manner**, realizing that I am a living example of Him (Christ). This means I will not use filthy language, and I will speak respectfully to anyone that I deal with. This will also determine how I act in classes and assemblies. I will also dress appropriately, as is determined by my chaperones and Barry Binion
6. **I understand that if I have any special needs or requests or if anything inappropriate occurs, I need to go to Barry Binion with that matter immediately.**
7. I understand these rules are written for my protection and that they are common sense rules. **I understand that if I feel the need to make an exception to any rule I must talk to Barry about that before acting on my own.**
8. Finally, I understand that I am supposed to enjoy myself, and receive much spiritual benefit from this experience. I understand that following these rules helps to assure that everyone else will gain just as much from the experience. *I also understand that if I show an inability to follow these simple guidelines, I may not have the privilege of remaining at the particular youth event.*

I understand the rules and I am looking forward to having a great time with this youth group. I will enjoy myself to the fullest extent of the law.
