Fall is one of my favorite times of the whole year. The air is generally starting to cool off. The leaves are starting to change colors. Eventually those leaves will start to fall off the trees will cover everything. The ground will be orange and red by the many different leaves. Another one of my favorite things about fall is seeing all the pumpkins on porches in the neighborhood. When fall hits one of the popular things to do is carving pumpkins. Many people will make trips to Walmart, Lowes, or other various places to pick out a pumpkin to carve for their homes. I know when I carve a pumpkin; I spend a lot of time working those little plastic tools to create a masterpiece. I will make sure every cut is precisely the way I want. When I finish working on my pumpkin I stare, inspect my pumpkin to make sure it is the exact way I want it to look. I strive to make it look exactly the way I planned for it to look. We spend time working on our pumpkin carving to make it a great creation. I want you to think this week about your spiritual life.

Do we spend the time and effort to carve our lives to make them look like the creation God had in mind? In Ephesians 2:10 it says, "For we are God's workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them." God created us to be a masterpiece. The challenge is that He wants us to look at His word and carve out the things that keep us from being the masterpiece that God wants us to be. In order to become the masterpiece He intended, we must carve to look more like Christ Jesus.

This entails many things that we care out of our lives. It may be in the form of the words we use. It may come in the form of how we have our priorities arranged. It may be in the way we lead our families. Maybe for some it is the actions you do in everyday life. Another way may be the way we treat our brothers and sister in Christ. Lastly it may be the way we treat others outside of the Lord's Church. Regardless of what it may be, we need to pick up those carving tools and eliminate those things that keep us from being the masterpiece God created us to be.

This week, Challenge yourself to see the areas that need to be carved in your life. Become more intentional to eliminate those things. Give up whatever it takes to be what God wants you to be. Then once we do that, we can become the glowing presence in our neighborhood, our schools, our jobs, and our families.

Hope you all have a great week!
