## ***Trust in Your Security***

***By: Joe Wells***

Security systems in the home are wonderful inventions. Like a high tech maze, technicians place sensors and wires in all the heavy traffic areas that are most likely to be the point of entry for any unwanted guests who assume your house is an open market. Alarm pads are added to the décor in the master bedroom as well as in the entryway for quick access just in case the blaring siren decides to go off either intentionally or by accident, waking all your neighbors and causing the dogs in the area to join in a chorus of howling.

They truly are wonderful inventions; however, it's not because of all the fancy bells and whistles they have. Rather, it's because of the sense of security they provide as the Bible is read and prayers are prayed before settling little heads on pillows for a night of sweet dreams. That safeguard is priceless. To be able to have a sense of assurance and safety causes us all to relax and to be able to enjoy what and whom we have been blessed.

In Romans chapter 8, by using a succession of questions that need no verbal answer, the apostle Paul clearly explains where lasting security is found. With the last questions of this particular chapter division bringing to the surface human concerns, as well as the question of security, he asked, *"Who will separate us from the love of Christ? Will tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?"* (v. 35) Being focused on the seriousness of human hurt, Paul settles the Christians by reaffirming that there is no level of suffering or persecution that can rob them of the security found in the love of God realized in the sacrifice of Christ Jesus. (See also Romans 5: 8)

If you're a Christian today, I have good news for you – as long as you continue to walk in the Light, trusting in the grace of God – ***You Have Security!*** Trust in it and live every day with perfect peace.

## **MEMBER SPOTLIGHT**

This week the spotlight is on two of our newest members, Jayden and Luke Woodfin. We all rejoice with the entire Woodfin family to learn that the twins were baptized earlier this week. You may not know but when they were born, the boys were two months premature with Jayden being first and weighing 3.4 lbs. followed a minute later by Luke at only 2.15 lbs. Thanks be to God for watching over them. This fall the boys will be attending Brooks High School where they were both on the All A Honor Society (fantastic!) and both play in the Brooks Marching Band. Last Thanksgiving they performed in Philadelphia in America's oldest continuous Thanksgiving Day Parade. Jayden plays the saxophone and Luke the baritone, but if they are in a car they usually don't want to listen to the radio. Video games are a favorite pastime of theirs and cheese pizza is what they like the most. What a blessing it is for all of us at Florence Blvd to have these two young men as members here! Thank you God for Paul and Pamela and all those teachers and family members who gave them a solid foundation to build on!
