Wash that Filth Away

By: Joe Wells

What would it take to get you to wash your hands before you eat? I know, it's an odd question to ask; however, we all eat and we all have hands, so the question applies to every one of us. So...what would it take?

Would you wash your hands before you eat after getting all greasy from working on a car? What about after cleaning something in your house like the toilet bowl? If you work with children, would you consider washing your hands after touching their lovely, little hands that have been in all kinds of neat places? What about before you eat lunch today, after exchanging so many handshakes? Would you wash your hands before you eat?

Now, let me ask you why you would wash your hands? Is it possibly because your hands not only contain hundreds of germs but that you can both give and receive other people's germs that way? If you're like most of us, the thought of putting others germs in your body by eating with unwashed hands grosses you out and for good reason.

Why is it that when we talk about the filth we carry physically, we are grossed out, but when we think of the filth we carry spiritually, in the sins that cause our once white garment to be stained with sin, we don't have the same response? Is it possibly because we don't see sin in the same way that God does? Due to His nature, He can't even be in the presence of it. Why do we, at times choose to live it in?

"Now why do you delay? Get up and be baptized, and wash away your sins, calling on His name." - Acts 22: 16

May God bless you as you walk with HIM!

¹² Put on then, as God's chosen ones, holy and beloved, compassionate hearts, kindness, humility, meekness, and patience, ¹³ bearing with one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. ¹⁴ And above all these put on love, which binds everything together in perfect harmony.
