

Ten Ways to Improve Attitudes in the Church

Matthew 5:43-48

Purpose: To look at
ways to be more
encouraging and helpful.

Remember that
you are not
perfect...neither
is anyone else
in church.
Rom. 3:23.

Try looking for the
sincere,
dedicated,
spiritual members
instead of picking
on the worldly
ones. You find
what you seek.
Rev. 3:4.

3.

Young or old,
learn to treat
one another
with respect.
1 Tim. 5:1-2.

Try praying for
your enemies
and antagonists.

It may not
change them, but
it will do wonders
for your attitude.

Matt. 5:43-48.

5.

Instead of being
critical of the
problems of
others, try being
a part of a
solution for them.
Matt. 7:1-4.

Never blame
others for your
own failures. Bad
examples,
discouraging
attitudes and even
temptations can be
overcome.
1 Cor. 10:13.

7.

You can improve
the church, your
family and the
world by starting
with yourself.
1 Pet. 3:1-7.

Looking for the
good in every
brother or sister
makes it easier
for us to love
them more.
Matt. 22:39.

A wooden easel with a white board. The board has the number "9." written on it in a large, bold, black font. The easel is made of dark wood and has a simple A-frame design.

9.

Consciously try
to build up and
increase the love
and good works
of yourself and
others.

Heb. 10:24.

Every church has
problems.
Ask yourself, “Am
I part of the
problem or am I
part of the
solution?”
“Am I only a
critical spectator?”
Gal. 6:1.

Conclusion

- Sour attitudes are infectious and destructive. But we have a very effective vaccine...the Bible.
- Starting with a positive, hope-filled attitude will get us going in the right direction.
