What Your Clothes Say About You

LearnVest, CONTRIBUTOR

LearnVest is a simple plan for your money. [FULL BIO](#) ✓

Opinions expressed by Forbes Contributors are their own.

It's no news that your wardrobe says a lot about you.

What you wear can inform passersby of your type of employment, as well as your ambitions, emotions and spending habits.

And now it's even launched a whole new type of psychology.

Clinical psychologist Dr. Jennifer Baumgartner literally wrote the book on this phenomenon, which she calls the "psychology of dress." In "[You Are What You Wear: What Your Clothes Reveal About You](#)," she explains not
