**"There is no God and
there is no soul.
Hence, there are no
needs for the props of
traditional religion.
With dogma and
creed excluded, then
immutable truth is
also dead and buried.
There is no room for
fixed, natural law or
moral absolutes."**

(1859-1952)

"People with children with Down's syndrome... have no reason to feel guilty about putting a Down's syndrome baby away, whether it's "put away" in the sense of hidden in a sanitarium or in a more responsible lethal sense. It is sad; yes. Dreadful. But it carries no guilt. True guilt arises only from an offense against a person, and a Down's is not a person."
