Have you ever wondered why God planned for human beings to be with other human beings? Even in the Garden of Eden, God looked upon man and said, *"It is not good for the man to be alone..."* (Genesis 2:18). By His design, children are born and reared in a community called a family, and in this community, like a perfectly fitted chain linked together one link at a time, this community is connected and has a direct impact on each person in the chain.

In a greater context, each person is also a part of a much larger community. It may be the community of schools, or a community of jobs or industries. The community may be a ball team, or a town that has become so dear to them. Most importantly, the community should be their church family that helps strengthen and encourage them to keep walking in the footsteps of Jesus.

What do all of these community context have in common?

Simply put, they do not exist in isolation from one another. The family unit is a part of a local church. The family is also involved in the community and actively participates and encounters others in their community. The church, the body of Christ, is also in a specific context and is called to shine the light of God to His glory within that context. School leaders, city officials, first responders, community organizers, church leaders, and every single person are a part of a great chain that links together for the overall benefit of the greater community.

This is what our "Come Together" community event is all about. With the gospel of Jesus as the foundation, our prayer is for a stronger community where every link in the chain is both blessed and is a blessing to the other links. We desire for God to be glorified in every context. As we "Come Together" seeking His will, we have no doubt He will be glorified, and our community will be blessed.

**AND I HEARD THE VOICE OF THE LORD SAYING, "WHOM SHALL I SEND, AND WHO WILL GO FOR US?" THEN I SAID, "HERE I AM! SEND ME."
ISAIAH 6:8**

We had a great group of 54 people, who came together last week, to devote an hour to the Lord's work, here at Florence Blvd.

Many were prayed for, the Sewing Sisiters continued to work on pillow cases, many cards were written to members and visitors, WBS lessons were checked and sent by mail and computer.

Another great thing was accomplished by many young people and others, was the cleaning and straightening of the auditorium, including replenishing cards and envelopes, sharpening pencils, and lining up song books.

Several men worked on the new lighting in the auditorium, while others worked on some new looks for the classrooms.

A HUGE thank you to all who participated in our weekly MNFTM ministry.
