THANK YOU

For more than 40 years, you were more than our place to worship, you were our family in Christ. We raised our boys here with such great Bible teachers and a wonderful Bible School program. We have laughed and cried with so many of you. Our hearts will not easily leave you. Thanks for the wonderful goodbye celebration. A special thanks for all the cards, gifts, and especially the hugs. We love you all and will miss you. There will never be another place like Florence Blvd.

Mike & Gisele Rudder

MEMBER SPOTLIGHT

It has been suggested that we all take a moment to recognize some of the people who have spent many, many years teaching in the bible classes here at Florence Boulevard. Ladies such as Jewell Gooch and Shelby Trousdale were mentioned first and foremost, but we would like to thank and give honor to all those who spend time each week preparing lessons and having bible classes ready for all the different age groups. One of the best encouragements we can do for our teachers is to actively participate in class and let them know we appreciate the efforts they spend each week. So, all of us should stop and give thanks for those who teach and make a special effort to thank each individual teacher for their good work. May God continue to bless the bible school program here and each of those who are actively involved.

MNFTM 10/15/18

We had another good, productive night last week, with 32 people present. The Sewing Sisters continue to work on pillow cases for the dialysis center. Several men continue to work on doors and getting classrooms ready for the new Bible School classes coming soon. WBS lessons were checked and sent by 6 people, of all age groups. Visitor cards and contribution envelopes were replenished along with songbook racks being cleaned out. Many cards were sent for our upcoming "Come Together" series, as well as greetings to visitors and those who are in nursing homes or shut-ins. Special thank you goes to Mike Davidson for presenting the devotional and talking about the Room In The Inn ministry. We hope you can be there next week to continue some vital works.
