MEMBER SPOTLIGHT

We would like to commend Thomas Devito for being faithful in bringing his young children to church while Krissy has been at home with the newborn.

Thomas and Krissy have three young children and Krissy says Thomas is not very much into sports but his favorite things to do are yard work and playing with the children. Good for him!

Thomas works for SCA Wire in Madison so he has a pretty long drive to work and back each day.

Thomas and Krissy met while she was in Long Island New York, which is where Thomas is from originally.

They both agreed Alabama was a better place to raise children so they moved here. Another thing that Thomas likes to do is go to yard sales and try to find some interesting things.

Thomas is fond of Mexican food and Chinese food, but stays away from fish.

What a blessing it is to have this young couple and their children here at Florence Blvd.

May God bless them with many great things as they raise their children here with us.

AND I HEARD THE VOICE OF THE LORD SAYING, "WHOM SHALL I SEND, AND WHO WILL GO FOR US?" THEN I SAID, "HERE I AM! SEND ME."
ISAIAH 6:8

Our second year of Monday Night For the Master began last week with a great group of 52 people who came together for the purpose of serving the Lord for one extra hour. During the meeting many calls were made, many more cards were written, several visits were made, and even more were made on Tuesday morning, pillows and covers were sewn, WBS lessons were sent and graded, brainstorming for some new bible study activities were planned and many tables and chairs were arranged and set up for the Alzheimer's and dementia seminar. A great big "thank you" to all who were able to attend and we look forward to continuing this work again tomorrow night. Plan to come if you can, but if you need a list of recent visitors or members who could benefit from a call or card, let Bob or Deb Harrington know and you can contact them later on in the week to encourage and invite them back.
