Title: ***Which Side Are You On?***

By: Joe Wells

There is a great contrast between those who want to go to heaven and those who could care less. Just as light and dark, hot and cold are seen as complete opposites, so it is with those who are walking as enemies of the cross and those who are walking in the footsteps of Jesus.

In Philippians 3: 18-21, the apostle Paul explains very effectively just exactly what these two distinct sides look like. He begins with those who are enemies of the cross and says, *“For many, of whom I have often told you and now tell you even with tears, walk as enemies of the cross of Christ. Their end is destruction, their god is their belly, and they glory in their shame, with minds set on earthly things (vs. 18-19).”* Let’s look at those one more time:

- 1) Enemies of the cross
- 2) Headed for destruction eternally
- 3) Doing whatever they can to please themselves
- 4) Think their sin is a badge of honor
- 5) Only thinking about the here-and-now

Then Paul draws a picture of what the opposite of these enemies looks like. *“But our citizenship is in heaven, and from it we await a Savior, the Lord Jesus Christ, who will transform our lowly body to be like his glorious body, by the power that enables him even to subject all things to himself (vs. 20-21).”* This side is characterized by:

- 1) A recognition of their citizenship in heaven
- 2) An eagerness for the second coming of Jesus
- 3) An anticipation of their existence in glory

What extremes! One is living for what they can get out of today, and the other is living for what will come in eternity. Which side are you on?

MEMBER SPOTLIGHT

We as members here at Florence Boulevard wish to welcome our newest brother in Christ, Dawson Gist, son of Chris and Kristie Turbyfill.

Dawson was baptized two weeks ago here on Sunday, August 12th.

Dawson is in the 10th grade at Muscle Shoals High School where his favorite subject is art.

He said he used to play tennis but has since retired and moved on to video games.

He also likes fishing, pizza and Buffalo Wild Wings.

When he gets older, he would like to find a position in video game design.

We wish you the best of luck and pray for your success in whatever comes your way.

May God bless you and your entire family as we work and worship together here at Florence Boulevard.
