Today is an exciting day as we begin our Winter Bible class schedule, and we want to invite you to join in with one of the studies. If you've always believed that Bible classes were simply the "cherry-on-the-top" when it came to your spiritual journey, I want to invite you to consider the many benefits to joining a Bible class. Whether it's to deepen your knowledge of God's Word, listen to the discussions from those who may have more spiritual maturity, interact with non-Christians, or even simply to better connect with your Christian family, attending a Bible class will bless your life. Please consider joining in as we begin these wonderful studies today!

**AND I HEARD THE VOICE OF THE LORD SAYING, "WHOM SHALL I SEND, AND WHO WILL GO FOR US?" THEN I SAID, "HERE I AM! SEND ME."
ISAIAH 6:8**

Thirty-two people came out last Monday night to work together for the Master and continue with many ongoing projects. The Sewing Sisters continue with making pillowcases, dozens of cards were sent to those having special occasions in the near future or recovering from illnesses or in need of encouragement. WBS lessons were worked on, calls to some of our members were made, and the moving of books and shelves from the library began. Classrooms in the Bible School wing are being transformed into something you need to see for yourself. We only have three more Monday nights to meet this year before the Christmas/New Year break, so if you have the opportunity, please come out tomorrow night and get involved in something really worthwhile for an hour. Thanks to all who support our Monday Night for the Master ministry!
