What's The Core of My Ministry?

A photograph of various baking ingredients and tools on a light-colored surface. In the top left, there's a metal sifter with a black handle. Next to it is a clear glass bowl filled with flour. In the bottom right, a white ramekin contains a yellow liquid, likely egg yolks. A wooden spoon with some flour on it lies across the bottom. On the far left, there are two sticks of butter wrapped in white paper. A blue rectangular button with a black border is centered in the middle, containing the text "A Few Key Ingredients".

A Few Key Ingredients

The background of the image shows a dark stage or auditorium. A single beam of bright white light originates from the bottom left and illuminates a circular area on a polished wooden floor. The rest of the stage is in deep shadow.

Setting the Stage

A graphic design featuring three large, semi-transparent white circles arranged in a triangular pattern on a light gray background. Each circle contains a white, bold, two-digit number. A red callout with the number '01' is positioned at the top left, a blue callout with '02' is at the top right, and an orange callout with '03' is at the bottom left. The circles overlap each other, creating a sense of depth.
