

Remaining Rooted in Christ

Colossians 2: 16-19

...in whom are hidden
all treasures of
wisdom and
knowledge.

- *Colossians 2: 1-3* -

A hand in a dark pinstriped suit sleeve holds a black sign with white text. The sign is tilted and has a thick black border. In the background, there is a simple line drawing of a clock face with tick marks and a jagged, irregular line that looks like a crack or a path.

See to it that no one takes
you captive through
empty philosophy and
empty deception...
- Colossians 2:8 -

A large, textured tree trunk with thick, greyish-brown bark is the central focus. It leans diagonally from the upper left towards the lower right. The bark is deeply furrowed and cracked. In the background, a brick wall is visible, constructed from reddish-brown bricks with some lighter-colored mortar. The ground at the base of the tree is covered with dry, brown grass and some small green plants.

How Do I Remain Firmly Rooted?

A large tree trunk with thick, gnarled bark is the central focus, leaning against a brick wall. The bark is deeply textured with many cracks and crevices. The tree trunk is positioned on the left side of the frame, extending from the bottom towards the top. The brick wall is made of reddish-brown bricks with visible mortar joints. The bricks are arranged in a standard running bond pattern. The wall is on the right side of the frame, extending from the top towards the bottom. The background is a solid red color.

Be In The Word

A large, textured tree trunk with thick, gnarled bark is the central focus on the left side of the image. It leans diagonally towards the right, resting against a brick wall. The bark is deeply furrowed and greyish-brown. The brick wall, composed of reddish-brown bricks with some mortar visible, forms the background on the right. Two green rectangular boxes with white text are overlaid on the brick wall. A red banner with white text is at the top. The ground at the bottom is covered with dry grass and some small green plants.

Be Discerning

A large, textured tree trunk with thick, spreading roots is positioned against a brick wall. The tree's bark is dark and deeply furrowed. The roots extend horizontally and diagonally across the frame, some resting on the ground and others against the wall. The brick wall is composed of various shades of brown and orange bricks, some with visible mortar. The overall scene suggests a strong foundation and stability.
