### Can I Warn You About Christianity???

You may be new to the idea of Christianity. You may be seasoned as a believer. Either way, I would like to warn everyone about what Christianity might do to you...

1. Christianity may cause you to perform acts of kindness.
2. Christianity may create a strong desire to serve others.
3. Christianity may help you rise above the problems of the world.
4. Christianity may tempt you to sacrifice self for others.
5. Christianity may cause you to share your heart with others.
6. Christianity may create a heart of worship that overflows.
7. Christianity may overflow with joy at times.
8. Christianity may be the culprit for random heavenly daydreams.
9. Christianity may drive you to be a better husband/wife/brother/sister/friend.
10. Christianity may provide hope beyond this world.

Do not take these warnings lightly! Christianity has been known to make major changes within the lives of men and women who devote themselves to the Christian Lord, King Jesus! There have been stories of the softening of the most hardened hearts. There have been stories of selfish people becoming sacrificially selfless, even to the point of giving up their own lives! Countless stories.

For you today, as you consider Christianity, have you allowed the message of Jesus to fully penetrate your soul and create Christlike change within? If these warnings are only concepts and ideas that haven't come to fruition in your life yet, just remember that "Christ is faithful over God's house as a son. And we are his house, if indeed we hold fast our confidence and our boasting in our hope." (Hebrews 3:6) So be reminded and warned believer/potential believer—that He who began a good work in you will bring it to completion until the day of Christ Jesus. Consider yourself warned!
