Positively Possible

with Austin

The request was sent out Monday for 60 home cooked meals by Thursday. These meals would be provided for a portion of the people who were displaced by the fires at Courtview Towers—specifically, the 60 people who are staying at Baymont Inn here in Florence. What is most impressive is that by Monday evening at 7:00pm, every request, item, and cook had been volunteered for and it was complete. Our ladies answered the call!

How great is it to be a part of a group of people that are willing to answer the call when a need arises? Thank you ladies, and all who were a part of planning, cooking, and delivering the meals to the displaced residents at Baymont Inn. Let's be prayerful that through our service, God is glorified and seeds of the Gospel were planted.

Now, for today, what needs do you see? What request for help and service are you receiving? Will you answer the call and glorify God in it? (Galatians 6:9–10)

Memory Verse for January

Acts 4: 19-20 (ESV)

“But Peter and John answered them,
“Whether it is right in the sight of God to listen to you rather
than to God, you must judge,
for we cannot but speak of
what we have seen and heard.”
