Positively Possible

with Austin

Have you noticed how the auditorium is continually cleaned, supplies stocked, and garbage cans empty? Maybe you have, maybe you haven't. The reality is, it is easy for us as people to grow accustomed to what we have and take for granted those who provide it for us. The Friday of Ice-Week, 2024, two days before we worshiped on Sunday afternoon at 1 p.m., Angi Medley came to the building when she didn't have to because she wanted to be sure that all the supplies we needed were on hand, pews were cleaned, and everything was ready for us on Sunday if we were able to gather (thank you Shepherds for choosing to gather). Such an act of service and sacrifice when someone doesn't have to is moving and impactful. Maybe it will impact you today, too. Don't forget, with our God, all things are positively possible!
